

Divine Styles Decor

Bringing fine wine and unique décor into your home.

Dear Friends,

We created D'Vine Styles Décor after our many enjoyable trips to the various wine regions of California. We were inspired to bring this relaxed, yet sophisticated atmosphere of entertaining and decorating to everyone who shares our same appreciation of wine.

D'Vine Styles Decor is a company that provides an eclectic wine tasting event and personalized shopping experience, all in the comfort of your home. We will educate and entertain your guest, through the presentation of fine wine pouring, tasting, decanting, preserving, pairing and decorating. Your guest will be impressed and able to purchase all demonstrated unique tools for the enjoyment and pleasure of wine.

In addition to the offering of unique decor and unparalleled customer service, quality and value will complement the customer experience.

D'Vine Styles Decor will inform, inspire and show you and your guest how to create an expression of yourself through the enjoyment of wine!!!
